It just gets better & better

With park volunteer Marion adding water the garden is beginning to awaken.

Time to tidy up and move some rocks for paths and such

Grab your gloves and join this happy group—we work, talk and then go out for breakfast/lunch.

Music in the Park

**Bob Delp and
Wendel Hutchison**
play Country/Western and
Rock and Roll.

Grab your lawn chair and
head on up——

June 29th Board meets at 9:00 am; General meeting follows at 10:00 am
Special guest is Rink Somerday from the Asombro Institute formerly known as the Chihuahuan Desert Nature Park in Las Cruces. She joins us every year in June—topic could be bats, birds, bugs, insects, animal adaptations—you get the idea? She wears lots of hats and is very knowledgeable about the area we all call home!
